

Lakeside Sportsmans Club THE BULLETIN

- August 2010 -

President's Message

Wow! Was it ever hot for the Big Bore Rifle Shoot! I'll post the results a little later in this Bulletin. The coastal temps have been pretty pleasant, but out in the East County it can still get warm. Remember to stay hydrated and take breaks often when working in those conditions and put on the sunscreen. We have a work party coming up to get ready for the Inter-Club Shoot at our range on the 29th. We also have a Trophy Trap Shoot and I fear it's going to be a warm one. The work party is primarily up at the trap range, but we also need to do some cleaning in the Clubhouse and restrooms. Additionally, we may tackle some tree trimming around the property. Some pretty big branches have been coming down in the winds that have occurred. Some trailers may have to be moved to do the trimming. A few folks have been helping by doing some cleaning up around, Thanks Willy Harrington, Bob Johnston and Clint and Dorothy Schultz. Wayne Kline has been picking up as well while our caretaker was out of town. Thanks everyone!

Recently we had some of juniors, which are associated with our Club members, in the winner's circle. Meghan Cox, Joe Howerton's Granddaughter and Isaac Norfolk, Rick Norfolk's Grandson attended a state junior trap event sponsored by A.I.M. (Academics Integrity Marksmanship) which is the Official Youth and Collegiate Program of the Amateur Trapshooting Association. Their squad included young members of a team that shoots at the Lemon Grove Club in Alpine. Meghan's team won the top Sub-junior team. In the singles category Meghan shot 193/200 placing 1st overall in the D-Class. She was unable to attend the shoot off so the prize went to the 2nd place shooter. Congratulations go out to these up and coming trap shooters. They represent the future of the sport and are actively

participating in that prospect. We need more like them! Also, Isaac recently was the Grand Prize Winner of the I.G.F.A./SDSC Young Angler Tournament at the Shelter Island Pier. Nice job Isaac! And again, Congratulations to these youngsters!

There will be a memorial Trap Shoot for Ginger Wolbers (Bass) on September 11th at the Lemon Grove Club in Alpine.

When a flyer comes out I get it put on the web. Emily Lawhorn has been keeping me honest on that site. Thanks for your work Emily!

We had nine shooters for the Big Bore Rifle Shoot. It was a great shoot despite the temperature (about 103°). I had forgotten about my eye operation and the need to re-sight my scope. My excuse for the iron sights is even weaker than that. I think I got most of the shots on the paper, I Think. Following the Big Bore Shoot we had a turkey shoot. The club made about \$55 on that shoot with Ted Barker winning \$30 and Isaac Norfolk winning \$25. Congratulations guys.

The results are as follows:

	Men	Women	Junior
Scoped			
1st	Rick Norfolk	N/A	Isaac Norfolk
2nd	Bob Sorensen		
3rd	Bob Brown		
Open			
1st	Bob Brown	N/A	N/A
2nd	Ted Barker		
3rd	Tom Brown		

Congratulations everyone. Everyone enjoyed their outing and we were finished before it got too warm. Thanks gang for your support for the Club.

Calendar of Events

AUGUST

- THURSDAY 19 BOARD MEETING AT LAKESIDE HISTORICAL SOCIETY @ 7:00 P.M.
SATURDAY 21 WORK PARTY @ 8:00 A.M.
SUNDAY 22 MIKE ALSPAUGH SHOOT (TROPHY) @ 8:00 A.M.
