

# Lakeside Sportsmans Club THE BULLETIN

- February 2010 -

## President's Message

I'll bet there are some of you who think they are starting to get web feet because of the recent rains. Water, Water everywhere! Especially up at the property. Before the last RAINS Chris reported that we had over 10". If you haven't been up to the property, its apparent everywhere that we've had some moisture. The creek is running both on the North and from Mexico into the pond and is spilling over. The road was washed out on the East end of the campground, about 4 or 5 feet deep. The U. S. Border Patrol called me up and offered to help us fix it. They put in a 5' culvert and repaired the road. The

where it's still a little soft and muddy, but passable. There are also some ruts to contend with, but just take it slow and you'll be okay. We have a Turkey Shoot and a Fun Trap Shoot scheduled for this coming weekend and I'm hoping for a good turnout. The forecast is for around 60 degrees and promises to be alright.

We didn't even have enough for a quorum for a Board meeting last month so I'm hoping for better things this month.

Clint Schultz has been busy again with some more handy work. When we had our vandalism at

Bring a main dish, salad or dessert to share and your own service.

Milk, water, coffee, rolls & butter will be provided.

For directions, call 619 472-5615

**HOPE TO SEE YOU THERE!**

the property the power system panel for the tractor building was destroyed and we hadn't gotten around to the repairs for over a year. Clint stepped up and also has added some lights inside and some motion lights outside which are solar powered. Many thanks again Clint!

Inter-Club at the Lemon Grove Club was held on the 30th of January and they had an excellent turnout with 66 shooters. It made for a long day but the weather was perfect and they served up an excellent lunch which went for the benefit of junior trap shooters. We only had 6 shooters from our club since it was on a Saturday and some of our guys have to work. Here are the results of the shoot:

- San Diego Shotgun Sports with 11 had 86.17%
- Escondido had 7 with 82.00%
- Lemon Grove had 25 with 81.23%
- Lakeside had 6 with 79.65%

Palomar had 3 which disqualified them for the day.

At this point we still don't know what the status of the range at Miramar is yet. I was informed

that the government had completed its investigation and was forwarding it to the Commander of MCAS Miramar. It is unknown whether there are any more shoots for this fiscal year shooting season. More to follow.

The Friends of the NRA is having their NRA Annual Fundraising Dinner Banquet, Saturday March 27th, 2010 @ 6:00 – 10:00 P.M. at the Holiday Inn 1355 N. Harbor Dr. Tickets start at \$60 per person. Additional information is available at [www.friendsofnra.org/ca](http://www.friendsofnra.org/ca).

Don't forget the Annual Installation Banquet and trophy presentation. It's a potluck and always great chow! We also give out the awards for the years competitive trophy events. We spend several hundred dollars for these recognitions of our members. It's a good time had by all for good food, good conversation and good times. Please join us for an hour and a half or so. I know you'll be glad you did.

---
