### President's Message

The New Year is here and I'm moving a little slower these days. I had my cataract operation on the 5th. My vision is slowly clearing up but I've had terrible headaches because my prescription for my glasses doesn't fit anymore and I can't get a new one until my vision stabilizes. Right now I'm happy I don't have a lot to pass on. We had a great time in Idaho for Christmas and spent New Year's Eve at the property with Rick & Joanne Norfolk along with Chris Donofiro. Also,

*The falls in Idaho Falls were frozen solid. Not surprising since the temperature never went over 14 degrees while Jean & I were there for Christmas. Aren't you glad we live in San Diego?*

Paul Watkins along with Paula Marez were there hosting a group of Boy Scouts. It looked like they were all enjoying the campground and I have it on good authority (Paul) that there were some valuable lessons learned on this outing. The weather was a little chilly but absolutely crystal clear. The sky that night was beautiful with all the thousands of stars and the Blue Moon as it slowly rose over the camp. I hope your Holidays were as enjoyable as ours were.

There will be a potluck dinner with lots of great food before and a good time to reflect on the previous year. The Lemon Grove Rod & Gun Club is hosting what could be the last Inter-Club Shoot for the fiscal year on the 30th of January. That's a Saturday for this one. I will

include a flyer with this Bulletin. I don't know at this point about the San Diego Shotgun Sports club which is on hold because of Miramar being shut down. I'll let you know as soon as I hear. Also, I'm trying to arrange a fun shoot with a club from El Centro in February. You have to remember that just about any event at the property this time of year will be weather permitting.
