

The Monthly Bulletin
MARCH 2008-

PRESIDENTS MESSAGE.

Let me start by saying the club is having a membership drive. What that means to our members is if a member in good standing sponsors a new member and the board approves then the sponsor's dues for the next year is waived. So if you have a good friend who wants to be a member now is the time to sponsor. This is a win-win for all.

A long time member Connie Watkins is in the ICU at Scripps Mercy Hospital Chula Vista, located at 435 H Street, Chula Vista. Our prayers go out to Paul and family.

Third and final notice: Please have your RV tags brought up to date, it is a requirement of the by laws and all members had to agree to it before being allowed to join. Official letters will be forth coming to those who have not up dated their RV tags.

As we begin a new season 2008-2009 there have been some changes as follows:

1. Annual dues raised to \$125.00.
2. Monthly trailer space rental raised to \$20.00
3. By laws have been changed, these will be sent to all members.
4. 2008/2009 Calendar of events will be finalized at the March board meeting and will be mailed to members and also posted on the web site www.the-lsc.org.
5. Address changes

 - Earl Solady

The ruling from this case will determine the extent the government can go to restrict our right to own fire arms.

Committee Reports

Property:

- We had a robbery break in of the cathouse and trap out houses. The member owned go-carts and ATVS where taken along with the clubs compressor. They were taken across the border.
- When you clean up at the camp site please take the trash with you unless other arrangements are made with the Property Manager or Caretaker,

Old Business:

- Lonise has done some research on using the El Cajon library for free for our board meetings. The down side is that we would have to be out by 8:00 pm closing and the available nights are not convenient for all. She'll keep looking

New Business:

- Rich brought up subject of trophies to be presented at annual awards banquet. He is proposing that to save money we only give trophy for 1st place and that 2nd and 3rd place get medallion. If there is a "no contest" shooter, they would get a medallion too. Rick moved, Cat 2nd that we follow Rich's proposal. Motion passed.

Misc Business:

- Joanne gave a report of dropped members from last year plus members who have passed and who's new. The club will start publishing this information.

The next board meeting

- February 21st.

Meeting adjourned at 7:55 P.M.

RANGE SAFETY TOPICS OF THE MONTH

Below are just a few things to think about before one chambers that first round of the day.

- It is your responsibility to insure that your firearm is always either about your person and under your personal control, or positively secured from access by children or other unauthorized parties. Prevent tragedy, lock down your firearms when they aren't in use.
- When storing a firearm for a long period of time, consider storing the slide, bolt, or other critical components of the firearm separately under separate lock and key.
- Never carry a single action revolver with a round under the hammer unless that revolver is a modern transfer-bar type, equipped with an inertial firing pin.
